The buffet is set up so that every person in the group gets at least 3 medium sized plates.

Buffet total is decided by group total set up when choosing food items or by the total amount that shows up during the group function, whichever is greater.

There is an additional 18% gratuity on top of the food total.

Any other gratuity is for your group to decide during your experience with us. Our goal is to provide you with the best possible customer service experience and enjoyment that you can find in a family fun center.

Any questions do not hesitate to contact me by phone.

Thank you for choosing Madsen's and EJ's Lounge
